Dear Fez,

According to our Road Access Management policy, the minimum allowable spacing is in the order of 200m.

Considering the above, I confirm that the Utopia access meets the NMBM access spacing criteria.

Kind Regards,

Dear Zama,

I refer to my e-mail dated 14 September 2012. I also refer to your meeting with Utopia regarding this matter.

Would you please confirm that 260m from Redhouse Chelsea Arterial / Walker Drive intersection to Utopia entrance is acceptable and that there is no need for Utopia to get an access from the Redhouse Chelsea Arterial.

Please do not hesitate to contact the undersigned should your require additional information.

Kind Regards
